

INDUSTRIAL FILTERS

Industrial Filter Catalog

Maximum efficiency. Longer service life.

Oil Filters

Removes wear particles from engine oil, extending engine life.

SKU	DESCRIPTION	DIM / THREAD
NU-OF-1001	NU-OF-1001 Oil Filter	H 175 · Ø 95 · M22 x 1.5
NU-OF-1002	NU-OF-1002 Oil Filter (Heavy Truck)	H 220 · Ø 108 · M27 x 2

Cross-references are suggested equivalences based on publicly available manufacturer data. Verify specifications before installation.

Air Filters

Prevents dust and abrasive particles from reaching the engine.

SKU	DESCRIPTION	DIM / THREAD
NU-AF-2001	NU-AF-2001 Air Filter (Outer)	H 425 · Ø 220 · 5 µm
NU-AF-2002	NU-AF-2002 Air Filter (Inner Safety)	H 410 · Ø 165 · 5 µm

Cross-references are suggested equivalences based on publicly available manufacturer data. Verify specifications before installation.

Fuel Filters

Removes water and particulates that reduce engine performance.

SKU	DESCRIPTION	DIM / THREAD
NU-FF-3001	NU-FF-3001 Fuel/Water Separator	H 230 · Ø 95 · M16 × 1.5
NU-FF-3002	NU-FF-3002 Secondary Fuel Filter	H 145 · Ø 76 · M14 × 1.5

Cross-references are suggested equivalences based on publicly available manufacturer data. Verify specifications before installation.

Hydraulic Filters

Keeps hydraulic systems clean, protecting pumps, valves, and cylinders.

SKU	DESCRIPTION	DIM / THREAD
NU-HF-4001	NU-HF-4001 Hydraulic Return Filter	H 260 · Ø 135
NU-HF-4002	NU-HF-4002 Hydraulic Pressure Filter	H 175 · Ø 96

Cross-references are suggested equivalences based on publicly available manufacturer data. Verify specifications before installation.

Water Filters

Effective protection against rust and contaminants in cooling and water systems.

SKU	DESCRIPTION	DIM / THREAD
NU-WF-5001	NU-WF-5001 Coolant Filter	H 175 · Ø 95 · 11/16 - 16
NU-WF-5002	NU-WF-5002 Coolant Filter (Non-chemical)	H 145 · Ø 76 · 3/4 - 16

Cross-references are suggested equivalences based on publicly available manufacturer data. Verify specifications before installation.

Cabin Filters

Clean cabin air for operator comfort and protection.

SKU	DESCRIPTION	DIM / THREAD
NU-CF-6001	NU-CF-6001 Cabin Filter (Standard)	H 30 · Ø 200
NU-CF-6002	NU-CF-6002 Cabin Filter (Activated Carbon)	H 35 · Ø 200

Cross-references are suggested equivalences based on publicly available manufacturer data. Verify specifications before installation.

Air Dryer Filters

Removes moisture and oil from compressed-air systems.

SKU	DESCRIPTION	DIM / THREAD
NU-AD-7001	NU-AD-7001 Air Dryer Cartridge	H 200 · Ø 125 · M41 × 1.5
NU-AD-7002	NU-AD-7002 Air Dryer Cartridge (Bus)	H 165 · Ø 110 · M41 × 1.5

Cross-references are suggested equivalences based on publicly available manufacturer data. Verify specifications before installation.

AdBlue Filters

Maintains AdBlue purity for SCR systems on Euro V and VI vehicles.

SKU	DESCRIPTION	DIM / THREAD
NU-AB-8001	NU-AB-8001 AdBlue Filter	H 120 · Ø 60 · 100 µm
NU-AB-8002	NU-AB-8002 AdBlue Tank Filter	H 95 · Ø 80 · 100 µm

Cross-references are suggested equivalences based on publicly available manufacturer data. Verify specifications before installation.
